

COLORADO GUN COLLECTORS ASSOCIATION

Dear CGCA Members,

Thank you to Nikki Stratton for her incredible talk about the USS Arizona. Her grandfather was one of the survivors of USS Arizona. She shared with us some of the stories of amazing actions of the brave men on the USS Arizona; and plans for the new USS Arizona sub. Thank you to Scott for setting this up for us.

Our next meeting will be September 17, 2024, at the American Legion Post 1; 7:00PM. This month Jarvis Hurd will do our presentation. The presentation is: "The development of the .357 magnum."

We have lost a LIFE Member, Dick Littlefield of New Hampshire. Dick has been a club member since 2007. As well as a club member, Dick has been a regular at our gun shows for many years. He collected Frank Wesson's, American Buggy Rifles with detachable wood stocks, early Cartridge boxes, 1/2 stock percussion rifles, and many other antique guns.

Congratulations to Scott Anderson for having his article on Merwin and Hulbert's published in Man at Arms.

We are sending out the newsletter via email; please let us know if we need to update your email address.
